Question Number	To do this NOF is considering two options: Option 1: handing out questionnaires at local retailers Option 2: using the internet to research other farms. Justify which one of these two options NOF should choose. Indicative content	Mark
3 (e)	AO2 = 3 marks AO3 = 3 marks AO4 = 3 marks AO2 • Option 1 – Questionnaires will let NOF approach potential customers face to face to see what will attract them to visit the farm. • Option 2 – NOF can view a large selection of websites to look at other farms and gather information. AO3 • Option 1 – NOF can ask specific questions which will give it detailed feedback that it can use to help attract more customers to its farm. • Option 2 – It will be less time consuming/costly as it can see what other farms offer already and compare it to its own to see if it can improve based on this information. AO4 • Option 1 – However, NOF may not get all of the information it requires or people may not want to fill in the questionnaires whilst they are shopping so it might not be very helpful/limited feedback. • Option 2 – However, NOF may end up spending a lot of time looking at feedback or outdated information which will not be very useful for it and it is not gaining specific feedback on its own farm.	**(9)**
