Practice workbook · Statement of financial position: assets and liabilities

Current and non-current assets and liabilities, inventory, capital employed, and the purpose of the statement of financial position.

10 question parts: 1 worked-example retry and 9 further practice parts.
Name: _____ Class: _____ Date: _____

Practise one question type at a time. Attempt the part inside the red boundary; the rest of the question and any figures are kept for context. Write your working in the answer space.

The first question is a retry of the website worked example, without its solution. Check your answers online with 'Check my answer', or ask your teacher for the answer booklet.

1 Most people recognise Heinz for the phrase '57 varieties' even though it now produces many more than the original 57 varieties. H J Heinz, the founder of the Heinz business, believed the phrase sounded lucky.

Kraft Heinz is a world-wide producer of food products. It was formed from the merger of Kraft Foods and Heinz in 2015. This created the third largest food and drinks business in the USA and the fifth largest food and drinks business in the world.

Kraft Heinz has over 24 different brands, including Greenseas in Australia and Nutri+Plus in New Zealand. America has the largest number of brands from Maxwell House to Cool Whip. *Kraft Heinz* produces many different products including tomato sauce, 'Mac&Cheese', pasta and its famous baked beans that are used and eaten by many people.

Kraft Heinz uses many methods to advertise its products. These include posters, billboards and leaflets in supermarkets.

(a) (i) Which **one** of the following is an example of primary market research?

Select **one** answer.

(1)

- ☒ **A** Published government statistics
- ☒ **B** Magazine article
- ☒ **C** Internet research
- ☒ **D** Focus groups

(ii) Which **one** of the following is an example of external communication?

Select **one** answer.

(1)

- ☒ **A** A presentation by the chairperson to its employees
- ☒ **B** Sending a customer details of a special offer
- ☒ **C** A departmental meeting
- ☒ **D** Training sessions for new employees

1 *As We Grow* (*AWG*) is a clothing business in Iceland. The social objective of the business is to use natural materials, such as wool, and produce environmentally friendly products. It aims to design clothes that will last a long time, to encourage families to buy fewer clothes and reduce waste in society.

AWG's increasing product range now includes jumpers, dresses, shirts and baby clothes. These are produced in small workshops that employ family and friends. Waste is kept to a minimum and any leftover material is used to make scarves and hats. The business has one store in Iceland. It uses its website to advertise and sell its clothing online to customers in other countries. The business has received the Icelandic Design Award for its contribution to the environment.
