Practice workbook · New products and marketing mix choices

Goods versus services, the marketing mix, why businesses keep developing new products, and choosing between product, price or promotion growth options.

11 question parts: 1 worked-example retry and 10 further practice parts.
Name: _____ Class: _____ Date: _____

Practise one question type at a time. Attempt the part inside the red boundary; the rest of the question and any figures are kept for context. Write your working in the answer space.

The first question is a retry of the website worked example, without its solution. Check your answers online with 'Check my answer', or ask your teacher for the answer booklet.

1 *As We Grow* (*AWG*) is a clothing business in Iceland. The social objective of the business is to use natural materials, such as wool, and produce environmentally friendly products. It aims to design clothes that will last a long time, to encourage families to buy fewer clothes and reduce waste in society.

AWG's increasing product range now includes jumpers, dresses, shirts and baby clothes. These are produced in small workshops that employ family and friends. Waste is kept to a minimum and any leftover material is used to make scarves and hats. The business has one store in Iceland. It uses its website to advertise and sell its clothing online to customers in other countries. The business has received the Icelandic Design Award for its contribution to the environment.

(a) (i) Which **one** of the following is shown on the statement of financial position?
